

**Products**

**SL serial Coated Fabric & Membrane Material**

**PVC Tarpaulin for Logistics (Code: SL -L)**

SL -L serial fabric is special used for logistics such as truck cover, side curtain wall, trailer cover, pallet cover, hay tarps etc. For this product, it has advantage of waterproof, rain proof, dust proof, UV protected, flame resistant, durable, Tear resistant, acrylic lacquered. Color can be customized.

**Technical Parameter:**

Model	Yarn Count(D)	Thread (inch)	Thickness	Weight	Tensile Strength (N/5cm)		Tearing Strength (N)	
			(mm)	(g/m <sup>2</sup> )	longitude	Latitude	longitude	Latitude
SL -L - I	1300*1500	12*12	0.52±0.03	650	2500	2400	1200	1500
	1300*1500	9*9	0.45±0.03	580	2000	2000	1000	700
SL -L - II	840*840	9*12	0.37±0.03	520	1410	1250	480	880
SL -L - III	500*840	12*9	0.33±0.03	400	1070	1130	660	490
SL -L - VI	500*500	9*12	0.30±0.03	360	840	800	430	540
Anti-flaming			Flaming time≤10s, Flameless time≤30s					
Anti-static electricity			Surface resistance≤3*10 <sup>8</sup> Ω					
Heatproof			No crack and tacky etc.					
Cold-resistant			No breakage and leakage etc.					

**Applications:** Truck tarps, hay tarps, roof cover, tent, boat cover, pallet cover, trailer cover and other custom covers.
